## **Paraffin Gauze Dressing**

Product Model: DG03

Category: Medical Equipment, Medical Disposables, Tapes, Bandages, Dressings & Absorbent's,

## **Summary:**

GWS Brand Paraffin Gauze Dressing is a sterile, absorbent dressing impregnated with refined paraffin. It is indicated for the moist warm treatment of superficial burns, scalds and skin graft donor sites. Paraffin gauze dressing is also effective in the treatment of dry gangrene, leg ulcers and other chronic wounds. The dressing should be applied to the wound and covered with an occlusive film or wrap. Send your Bulk Inquiry Today!
